Hi Laura,

After skimming these comments, I'm realizing that I need more time to review. So I suggest you send your comments on to Tim today, and let him know that I can review the next draft (if it would be available soon, e.g., by COB today or Monday morning). Or I can review these drafts and give comments by Monday morning.

Brian Joffe commented simultaneously; both our comments include Chris's. While you're looking at my comments, I could attempt to combine them, or I could leave that for Tim to do.
